Dear James OBrien:

Your application to participate in the Child and Adult Care Food Program (CACFP) has been approved for fiscal year 2016 beginning October 1, 2015 through September 30, 2016. Please review the attached list of approved site(s) for accuracy. The agreement number assigned to your organization (at the top of this letter) must be included on all correspondence to this office.

This approval letter with copies of the application documents, including Sponsor Application, Site Application(s), Non-Pricing Agreement and other attachments and information pertaining to the CACFP must be kept on file for a period of three years plus the current year. Institutions will be reviewed by this agency to ensure compliance with the application documents and CACFP 7 CFR 226 regulations.

Included with this approval letter are the estimated racial/ethnic categories for your county(s) to meet part of the civil rights requirements. For additional civil rights responsibilities, please refer to the civil rights brochure on our website at [http://www.isbe.net/nutrition/htmls/civil\\_rights.htm](http://www.isbe.net/nutrition/htmls/civil_rights.htm).

If changes occur in the original information submitted with this application, you are required to update your Internet application documents. If the information is locked and cannot be updated, please submit the changes in writing to our office via electronic mail to [cnp@isbe.net](mailto:cnp@isbe.net) or via facsimile at (217) 524-6124. Failure to notify this agency of changes could result in loss of meal reimbursement.

Every week day care license information from the Illinois Department of Children and Family Services (DCFS) is compared to our computer system to ensure license requirements are kept up-to-date. Any center with a license that is not in good standing will not be allowed to claim meals for reimbursement. To avoid problems, complete DCFS licensing requirements as soon as you receive the information.

If you have any questions, please contact a staff member at (800) 545-7892 if in Illinois, (217) 782-2491 if outside Illinois or email [cnp@isbe.net](mailto:cnp@isbe.net).

Sincerely,

## Civil Rights Disclosure

The United States Department of Agriculture regulations implementing Title VI of the Civil Rights Act of 1964 requires each school-based Child Nutrition Programs sponsor to determine and have available for review data on the potential eligible beneficiaries by racial/ethnic category for the areas served by the institution.

To assist you in determining the potential beneficiaries, this office is providing the Illinois census estimates of population for your county(s).

If the figures do not accurately reflect the racial/ethnic makeup of the area from which the attendance is drawn for the school-based Child Nutrition Program(s) in which you participate; cross out and insert the information. It is not necessary to submit changes of this information to ISBE but maintain on file for review or audit. All changes must be documented with the source of your information. All records related to school-based Child Nutrition Programs must be maintained for a period of three years plus the current year.

All sponsors should annually review the civil rights brochure available on our website at [http://www.isbe.net/nutrition/pdf/civil\\_rights.pdf](http://www.isbe.net/nutrition/pdf/civil_rights.pdf). The purpose of the brochure is to notify participants of the school-based Child Nutrition Programs policies regarding civil rights and to provide guidance on nondiscrimination in the administration of the program. A copy of this brochure is available upon request.
